

A well-established, successful leader, Mr. Ballenberger has designed programs in independent living preparation; supervised independent living, day treatment, short-term residential care and aftercare; developed the first group home program in the State of Indiana; managed transition from public agency to private non-profit status; and designed early intervention programs. Mr. Ballenberger is an expert in developing and implementing programs using and developing technology for staff training, program management, and streamlining evidence-based practice and accreditation compliance. Mr. Ballenberger also serves on the Board of Board of Directors of MIRA (Mental Illness Research Association) and the Mental Health Association of Michigan and is an active member of several organizations including NAMI, the Michigan Federation of Private Child and Family Agencies, the Michigan Alliance of Children's Agencies, and the Michigan League of Human Services.
