

SACRN Member in the News

February 2011 - Sally Bailey, RN,MS , with IndeQuest Nurse Case Management was invited to speak at the Aging in America Conference sponsored by the National Council on Aging in Chicago, Illinois. Dr Rosemary Laird, Director of the Health First Aging Institute in Melbourne, Florida, joined Ms. Salley Bailey as a co-presenter. Their topic, "Maximizing Care for the Aging Population - Care Management Programs that Work!" focused on how to implement a clinically based senior care case management program. Case goals and outcomes were presented. For a copy of the transcript for the program send a request email to info@IndeQuest.com.
