The Fiscal Concierge Forms Unique Partnership with LifeLock[®]

Manitowoc, Wis., Jan. 17, 2011 — The Fiscal Concierge, a confidential and secure personal bill paying service, is pleased to announce a new partnership with LifeLock[®] that will provide identity theft prevention services to all Fiscal Concierge members. Through the partnership agreement, anyone enrolled in The Fiscal Concierge will receive a complimentary membership to LifeLock.

“The Fiscal Concierge is delighted to partner with LifeLock to offer enhanced services and increased value to our customers,” explains Jim Nickels, CEO for The Fiscal Concierge. “One of the first questions customers often ask us about is identity theft. By partnering with a proven industry leader, such as LifeLock, our customers can be assured we’re steadfastly committed to protecting their personal information.”

The Fiscal Concierge is a unique bill paying service designed to take the frustration, stress and hassle out of paying monthly bills. The service uses an individual’s existing banking information to pay only authorized bills, which could include; credit cards, utilities, medical expenses, insurance, in-home nursing or assisted living costs, and others, on time.

By using existing banking information, customers are able to maintain their current banking relationships. Likewise, there is no need to alter current credit or debit payment methods. To curb the possibility of identity theft, The Fiscal Concierge does not collect any social security numbers, dates of birth or drivers’ license numbers for any reason.

“The Fiscal Concierge is a simple resource that can help anyone manage their finances,” says Nickels. “Our goal is to provide the highest level of bill paying services so you have peace of mind and financial security. Whether you’re looking to save valuable time so you can enjoy life to the fullest, or you simply want to ensure a loved one’s expenses are taken care of, we have a solution to meet your needs.”

In addition to being insured and bonded, The Fiscal Concierge is a proud member of the American Association of Daily Money Managers (AADMM) and an accredited member of the Better Business Bureau (BBB).
